

Delayed Justice

Lyrics by Harshit Bhardwaj

Verse 1

This is the pain of
sins you have done
all your life you have
followed the path of wrong

No one can escape
this trial of nature
You must pay for your deeds
You must suffer

Chorus

Justice was delayed but it wasn't denied
They waited for years and slowly they died

You abused the power and twisted the law
Their curses are haunting you, you shall rot

Verse 2

This is the pain of
hopes you have drowned
you have failed their trust
you have let them down

No one can escape
this trial of nature
You must pay for your deeds
You must suffer

Chorus

Verse 3

This is the end of
life you have led
Now you are behind the bars
Your body is chained

No one can escape
this trial of nature
You must pay for your deeds
You must suffer
